

SENIOR TUTORIAL AND CATCH-UP PROGRAMME 2018

From Friday 2 November to Tuesday 27 November, these tutorials and catch-ups are available for Senior students.

For most students, they are not compulsory, but will help you in preparing for your final assessments and / or give you the opportunity to complete some last internal assessments.

If you are serious about doing well, you should attend. It does not have to be your subject teacher that is taking the tutorial for you to be able to attend.

Check against the subjects you are doing, and select the tutorials that will be most helpful. Ask your teacher where to attend if there is no location given on this form.

Some teachers may offer additional opportunities to you directly which are not timetabled here.

This schedule will be attached to the school website (www.upperhutt.school.nz) under the CURRICULUM tab.

The external examination programme is also attached to the school website under the CURRICULUM tab.

STUDENTS SHOULD ATTEND IN CORRECT SCHOOL UNIFORM

Friday 2 November
