10LY

| Subject | Learning | Resources |
|----------------|--|--|
| English | 1) Check your English Google Classroom for information from your English teacher. They will communicate with you here. 2) Decide/ finalise your speech topic. Plan using template provided at Lane Park (you can still plan the speech if you don't have a template). Research your topic if necessary. Begin | Google classroom. Resources from Lane Park. |

| | | |
|----------------|--|---|
| | <p>writing your speech. Include techniques from activities at Lane Park and what you have seen on the exemplars. Please share a Google Doc of your speech with your teacher. Your speech needs to be 3 minutes long or 6 minutes in a pair.</p> <p>2) Work on any reading responses that you need to complete including reading a novel if you need to.</p> <p>Your English teacher will have told you which ones you need to complete. If required- teachers will share articles with you to use for the responses.</p> | |
| Social Studies | Prepare for your assessment next week by practising a concept map. | Concept map practice instructions attached as a separate document. |
| Maths | <p>You will have answered the end of topic measurement test on Wednesday 18th September at Lane Park.</p> <p>Revision for your NCEA Measurement Achievement Standard 1.5 test in the last two Maths periods at the end of term. You can do this by completing all the revision worksheets that you have been doing while at Lane Park and also any pages in your Fast Track workbook related to measurement (use the index at the front of the workbook).</p> | <p>Work booklets already photocopied and handed out at Lane Park.</p> <p>Fast Track 2 workbook.</p> |
| Science | <ol style="list-style-type: none"> 1. Choose a current event from the following: Measles outbreak in NZ or Climate Change or Amazon Fires 2. Come up with 10 questions you have related to that topic. Your questions must be "What...", "How...", "Why...", "Where...", "When..." questions. E.g. How far have the amazon fires spread? 3. Find the answers to your questions, write them down and bring them on Monday. | Use the internet (or other sources) to search the current event. This will take you to Youtube, Stuff, NZ Herald etc. |
