

Upper Hutt College

Learning Plans – Year 9

Tuesday 31 August – Friday 3 September

Subject	Teacher / Class	What are students learning?	How are they learning?
9ENG English	9FH - KL	Writing a narrative. Reading comprehension techniques.	Youtube, online school journal, google classroom.. Meets: Tuesday 4, Wednesday 2
	9SC - BR	Drawing themes from the main text and connecting them to issues outside of the text - Boy Overboard. Creating clear writing structures and developing personal responses to text.	By writing essays and following the essay guideline plans. - discussed in class and now on google classroom. By getting online teacher feedback and making relevant edits to enhance their writing. Google Meet: Wednesday 11.30am
	9WJ - JO	Poetry and Photo assignment based on Tupac poem The Rose that Grew through concrete.	Going out into their neighbourhood, taking a photo of something that interests them, is unusual or tells a story. Follow the worksheet instructions to brainstorm ideas and then write a poem.Laptop is not functioning for Google Meets.
	9MS - MS	Students are continuing their learning about the issue of sustainability. They will be looking in their own homes for their approach to recycling.	Students will watch a short documentary about what is sent to landfills then look in their own homes for the items they throw away. We will do a class discussion on our findings and post photos in classroom. I am available for a Google Meet Tuesday 1.00pm - 1.45pm
	9ZP - IH	Students are to create and design their own restaurant with interesting menus, advertisements and reviews.	All tasks and instructions are in Google Classroom for students to work on when they see fit. They do not need to do all the tasks. I am available for a Meeting on Tuesday from 1pm-1.45 if needed.
	9AG - BW	Creative Writing. Students are writing a short story.	1.Students should have published 3 poems on Google Classroom last week, so if this hasn't been done, make sure it is done this week.

		<p>Reading- the usual 20 minutes a day Start to read the novel Animal Farm for our novel study. Here is the link: Animal Farm</p> <p>9TW - TW Continuing to work on personal responses.</p> <p>Reading the short story "On The Sidewalk Bleeding". on-the-sidewalk-bleeding.pdf Writing a personal response for the story.</p> <p>9JE - AM This week students will have a choice between two activities. They may complete 2 - 4 activities from a multiple intelligence worksheet, based on their personal reading book OR they can create a Lockdown Time Capsule. If students want to do both activities, they are welcome to.</p> <p>9AS - BK Students are also expected to be reading a novel of their choice for a minimum of 10 - 15 minutes each day. The Wheeler's App is available if they do not have a book at home.</p> <p>Static image - You need to have searched for, sized, modified as many of your images and your quote as possible. On that same Doc I would also like a draft plan at the top, either written, or a photo uploaded, or a badly done draft on paint etc so I can see your thought process. If you are drawing by hand then you need to complete your drawings on plain (not lined) paper so they can be stuck down to the background when we get back. If you are working digitally (I know of two of you) you may work on this at home if you are sharing it with me continuously</p>	<p>2.This week's focus is writing a story. Students will use figurative language: simile, metaphor, personification, onomatopoeia, alliteration, assonance and sensory language (show not tell) to create a short story. Instructions on Google classroom and don't forget to edit your work) 3. Once finished, start reading 'Animal Farm'. Google Meet time: Tuesday 11.30</p> <p>The Face novel response should have been finished by now. Once this is done the students should look at the instructions for this week's work on Google Classroom. Feedback on written work can be given through Google Classroom, throughout the week. Google Meet is 1:45 Tuesday</p> <p>All work is posted onto the Google Classroom with instructions. I am available for questions on a Google Meeting at our normal timetabled lesson on Wednesday, period 3 (11:30am) even though there is not a scheduled Meeting on my timetable. Students can also email me directly on mulhollandm@upperhutt.school.nz if they need help:)</p> <p>There is a Doc on Google classroom to put this information on. If you are working digitally you may email me the screenshots of your work.</p> <p>You should have this planned enough, with all your images chosen that when we get back to school it takes a day or two to cut it all out and stick it down and that is it. You should know where you want it, how it's going to look etc. Send drafts and ideas to me so I can help guide the symbolic ideas.</p> <p>Google Meet times are Tuesday period 3 (11:30 - 12:15) and Thursday period 2 (10:30 -11:15). During these times I will be available to chat or help with work. It would be great if everyone could pop in so I know they are okay, but they don't need to have the camera on or even speak.</p>
--	--	---	--

9 MAT Maths	9AG - AG	Areas of Circles and compound shapes involving circles	<p>Relevant worksheets will be posted on google classroom with notes, examples and exercises for students to complete.
