The school is a signatory to the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021* established under section 534 of the Education and Training Act 2020. The school has attested that it complies with all aspects of the Code and has completed an annual self review of its implementation of the Code. The school's annual review against the Code is thorough, supported by systematic record keeping.

At the time of this review there were two international students attending the college.

The board receives appropriate information on outcomes for international students, which includes qualifications achieved and other successes within the college. International student staff closely monitor students' progress and success in their learning. They purposefully collect ongoing useful information on international students' learning and perceptions about their New Zealand experiences.

International students' wellbeing and pastoral care are a high priority for staff. There is a deliberate focus on successful homestay placements and students having opportunities to have a range of experiences in New Zealand.
