

**UPPER HUTT COLLEGE EXAMS SEPTEMBER  
16- SEPTEMBER 20, 2024**

**END OF YEAR EXAMS - STUDENT INSTRUCTIONS**

1. You can only leave your exams after the first hour and before the last 15 minutes. You can only leave your internal assessments or practicals when your teacher says so.
2. Students must wear the correct uniform.
3. **You must attend all exams and internal assessment time slots.** Failure to attend will be treated as truancy.
4. **Check this timetable carefully and highlight your exams.** Exams take priority over catch-up lessons. You will need to tell your teacher if you have a clash and they will arrange for you to sit it at a later time. There are about 60 individual clashes in total.
5. Usual exam conditions apply – silent work, no communication with other students.
6. If you are sick or unable to make an exam you or a parent must contact the school office before the exam and ask them to inform your teacher.
7. During the five days you attend only for your scheduled assessments. When you finish you go home – do not hang around school to socialise.
8. Subjects with a practical or internally assessed component may ask you to come into school at certain times to work on ongoing tasks. You are expected to do this.
9. All students will be provided with a timetable for the week. Ako teachers will go over arrangements with you.
10. All students with Special Assessment Conditions (SAC) need to see Ms Lister for their individual timetable arrangements.

This programme is also available on the website under CURRICULUM.
