

# Senior Tutorial Week 2024

Wednesday Oct 30-Nov 4

Senior Tutorial Week will run from Weds Oct 30 - Mon Nov 4

During the Senior Tutorial Week there will be no timetabled senior classes.

Tutorial times are a chance for students to catch up on internal work as well as prepare for externals.

The school day will begin with Ako time followed by P1 at 9am. There are no junior exams this year.

Students must attend in full school uniform and be prompt to sessions. Students are not to hang around once they have completed tutorials.

The library will be open for students to quietly study if there is a gap between tutorials.

The Achievement Opportunity Programmes (AOP) will run in B2 & B3.

If there is a tutorial on for one of their subjects they will be sent there once they have checked into B2/ B3.

Some rooms may change since publishing this - if this is the case a note will be left on the door to the classroom on the day.

Students who are at home are expected to be studying for their exams or completing any internally assessed work that they can.
