

Senior Tutorials 2026 Monday November 2 - Monday November 9

During the Senior Tutorial there will be no timetabled senior classes.

Tutorial times are a chance for students to catch up on internal work as well as prepare for external exams.

Students must attend in full school uniform and be prompt to sessions. Students are not to hang around once they have completed tutorials.

The library will be open for students to quietly study if there is a gap between tutorials.

The Achievement Opportunity Programmes (AOP) will run in B2 & B3.

For those on AOP, if there is a tutorial for one of their subjects they will be sent there once they have checked into B2/ B3.

Some rooms may change since publishing this - if this is the case a note will be left on the door to the classroom on the day.

Students who are at home are expected to be studying for their exams or completing any internally assessed work that they can.
